Will Go on Strike To-Day. Pittsburgh, Pa., June 4.—Ten thous-and employes of the Westinghouse Electric and Manufacturing Company, the Westinghouse Machine Company and the Pittsburgh Meter Company will go on strike to-morrow morning.

according to union officials to-night.
Officials of the Westinghouse Interests to-night refused to put credence
in the strike report, and said it was "nothing but the talk of a few hot-headed workmen."

SMALLER GROSS EXPECTED UNLESS INCREASE GRANTED George W. Stevens, president of the Chesapeake and Ohio Railway, ex-pressed the belief that railroads would continue to report smaller gross un-less they received an increase in their

tariffs.

"Everybody is dragging along bottom now," said Mr. Stevens, "and I don't see how the railroads can go ahead planning improvements and buying necessary equipment unless they get some relief.

"There is a large surplus of idle cars at present, but with various business.

"There is a large surplus of idle cars at present, but with normal business conditions restored, the rolling stock of the railroads would be insufficient, to take care of the country's commercial needs, for their purchases of equipment have not offset the number of cars discarded and thrown in the scrap heap."

L. F. Loree, president of the Delaware and Hudson, said the earnings of

Doubt, which Roosevelt discovered in Brazil, really was known and mapped 225 years ago.

"There it is," said General Miles, "and just that way will the true story of his charge of San Juan Hill come out."

"There is is," said General Miles, "ment of hard coal, but that there will be a slight decrease for May, due to the general falling off in the movement of merchandise and coal.
